VIENNA, July 11 (delayed). Three thousand Galician Jews

3,000 Galician Jews

have been arrested in the streets of Budapest, according to advices received here to-day.

Bela Kun, head of the Hungarian Soviet Government, replying to a Polish protest against

hese arrests, declared: "Pogroms are bound to come here, but we do not want Hungarian Jews to suffer for the acts of the Galician Jewish speculators who infest this country. Also we refuse to return money found on their persons."

BAN ON TRADE

Blanket License Permitting Business With Germany Issued, Effective Yesterday.

WITH FOE ENDS

AUSTRIA NOT AFFECTED

Heavy Movement of Commerce in Both Directions Be-lieved Started.

WASHINGTON, July 14 .- All bars to German trade except those stipulated the Peace Treaty were thrown down to-day. Acting Secretary of State Polk announced "that the restrictions against trade and communication with Germany under the provistons of the Trading With the Enemy Act have been removed by a general enemy trade license issued by the War Trade Board section of the Department of State, effective July

This general license is a "blanket license," and in effect simply removes trade with Germany from the terms of the Trading With the Enemy Act. Individual licenses or licenses covering any shipment are not necessary.

Trade with Germany may be pursued time since August, 1914, when Germany went to war. There is no blockade of Signor Tittoni's return to Paris is trade in either direction and no restricexpected to be followed by interesting tions except the ones imposed by the embroil the United States in petty dis-

deemed more expedient than action by allied help, of which America must furfish most.

But to treat Japan one way and Italy
another way may have serious consething the diplomats do not like to face.

The despatch of British and America.

Ula-Hungary would be thrown down,
assault, because the other Powers of
the world would be bound to share the
burden and responsibility of putting
down any effort to take the canal or
the islands away from America.

Article by article the Senator analyzed

thing the diplomats do not like to face.

The despatch of British and American warships to Fiume seems to indicate a purpose to show the Italians they must not go too far, and this causes the out. Heavy movement of commerce was seen to indicate a purpose to show the Italians they must not go too far, and this causes the out. Heavy movement of commerce was Senator said:
